

C4 OPERATIONS

Background Check Services

We know it is important for your customers to know if your employees have had a thorough background check. C4 Operations offers background check services and ID badges to improve safety and eliminate delays.

With our badges, your organization can improve safety & security by automatically issuing ID badges based on a background check. To reduce even more risk, add ongoing monitoring to each ID badge. With our ID Badges, you can make sure that your workers are always screened and always stay compliant.

The badge can display the following:

- Individual's name
- Company name
- Personal picture
- Date the background check was completed by C4 Operations

Order Your Background Check with ID Card Package:

- Submit Information for Background Checks via C4 Operations Platform
- Upload A Photo Of Employee (from the shoulders up for best results.)
- Background Check Screening Is Completed
- ID Badge Is Automatically Issued Upon Client Approval

Please call our office today to get this badge added as part of your background check screening service packages.
